Thanks to the collaborative efforts of the Voices community, our Local Control Accountability Plan will serve as a guide to best prepare our students for the challenges of higher education.

LCAP Goals

- Promote the achievement of all students, and particularly for English Language Learners by providing integrated ELD training to ensure all students have language learning supports.
- Improve students proficiency and growth in key content areas, school-wide and for all subgroups.
- Voices will maintain an engaging, positive, and safe school culture and environment for students and families so that they can participate fully in student learning and the school community.
